

ZEESHAN RIAZ

SENIOR REACT NATIVE DEVELOPER

Gujranwala, Pakistan | +92 308 7571432 | zeeshanriaz.tech@gmail.com | linkedin.com/in/zeeshan-riaz-3b8428113

PROFESSIONAL SUMMARY

Senior React Native developer with 7+ years of experience building, maintaining, and releasing production mobile applications. Strong background in e-commerce, React Native, TypeScript, Redux, GraphQL, REST APIs, Firebase, native iOS and Android integrations, payments, performance optimization, debugging, and App Store and Google Play release management.

EXPERIENCE

RICHY GROUP | Riyadh, Saudi Arabia - Remote

Aug 2024 - Present

Senior React Native Developer

- Develop and maintain a production React Native e-commerce application across iOS and Android.
- Build GraphQL and Apollo integrations, Firebase analytics and notifications, deep links, maps, multilingual flows, and reusable application features.
- Implement and support checkout and payment experiences including card payments and Apple Pay, with 3DS and failure and cancellation handling.
- Own release readiness, production bug fixing, performance improvements, App Store Connect, Google Play Console, and platform compatibility updates.
- Developed AI-assisted customer support features for product discovery, category support, order help, branch questions, and chat history.

YORK STREAM TECHNOLOGIES | Brockville, Ontario, Canada

May 2022 - Nov 2023

React Native Developer

- Contributed to CircleIt mobile app features including chat and future-message and card experiences.
- Worked on DigitalWill, helping users manage final wishes, accounts, and secure digital legacy information.
- Delivered React Native features, debugging, API integrations, and cross-platform improvements for iOS and Android.

INFINKEY SOLUTIONS | Gujranwala, Punjab, Pakistan

May 2020 - Apr 2022

React Native Developer

- Developed and deployed Affiliated, connecting businesses with relevant customers through targeted incentives.
- Helped build The Giving Movement app from the ground up for a sustainable fashion e-commerce business.
- Built features for Ancestream and MiDoc, including visual family records, video calling, payments, and app integrations.

APPCRATES | Pakistan

Sep 2019 - Apr 2020

React Native Mobile Developer

- Contributed to the KANGA mobile app, including meetings, user and buyer flows, and React Native Maps integration.
